The Honorable Robert S. Mueller
Director, Federal Bureau of Investigations

Dear Director Mueller:

I am writing to bring your attention to two missing girls from Evansdale, Iowa: Lyric Cook-Morrissey, 10 and Elizabeth Collins, 8. Five days ago, the girls' bicycles were found near a local lake. Local officials are draining the lake in an attempt to find the girls, but thus far, no trace of the girls has been found. If the lake holds no new information, officials will treat this as a missing child investigation.

By request of the family, we are asking for your assistance in helping the local government in the investigation, and for you to ensure that all available FBI resources are immediately utilized as part of the search for these girls. The family and Evansdale community are grateful for your efforts and contribution in finding these two young girls.

Sincerely,

Bruce L. Braley
Member of Congress (IA-1)
